

THINGS NOT OF THIS EARTH!

"Noiselessly—Like a Puff of Gray-Blue Vapor—A Figure Emerged From the Air and Confronted Us!"

Hamlin Garland, Famous American Author and Psychic, to Support Sir Oliver Lodge's Remarkable Declaration That His Life Exists After Death, Tells for First Time His Wonderful Experience With a Projection of the Astral—A Ghost That Melted in Plain Sight.

By Hamlin Garland,

Famous American Author of "The Shadow World," "The Tyranny of the Dark," Etc.

One summer night, a few years ago, I went over to Staten Island from New York to visit a young law-
